Tree Removal Waiver

A tree or trees on your property currently interferes with or has the potential to interfere with overhead power lines. Because this can create safety hazards and may impact the energy service in your neighborhood, the tree(s) should be removed.

Tree removal will be performed free of charge by qualified arborists. Please acknowledge your consent by signing the form below.

Tree Maintenance Needed At This Property

Property Address

The tree(s), specified below, has(have) been marked with orange ribbon.

The Tree Removal Process

- The tree(s) marked with ribbon will be removed*.
- Any branches/brush/trimmings that can be chipped at the time of tree removal will be hauled away by ComEd.
- Remaining tree stumps are treated with an approved herbicide to prevent future regrowth. Herbicide will be applied by state-licensed applicators.

The following debris will be left on site for you to dispose of:

Non-Consent

If you do not consent to tree removal, the tree will be significantly trimmed. This may result in an unnatural looking tree that could still contribute to power outages in your area. If you elect to have the tree removed after our trimming is complete, you will be responsible for the cost of tree removal.
